

# YOUR COMMUNITY SNAPSHOT

Your safer neighbourhood team

## You Said, We Did

Beat Managers PC Francine Heath & PC David Norris have continued patrols across Hunstanton and Burnham –tackling speeding, dealing with occasional reports of anti-social behaviour, reassuring the local marine communities and carrying out targeted drug warrants.

## Your Priorities

The latest priority for the wider area is:

Pre-emptive patrols of Wootton Park ahead of the school holidays.

We held a busy Priority Setting Meeting at Dersingham Village Centre in May with many people discussing speeding, particularly in the rural villages. Local officers will continue to focus on speeding throughout the area.

## Need To Know

The next Priority Setting Meeting for Hunstanton, Dersingham & The Woottons is on Wednesday 26 July at 7pm at South Wootton Village Hall or via Teams.
