This month I would like to take the opportunity to mention our Safer Neighbourhood Action Panel, or SNAP Priority Setting meetings. Each of our three policing areas hold SNAP meetings for the area of the town and surrounding parishes. The meetings are held every three months and are open to the public. Hunstanton SNAP covers all parishes in the Hunstanton, Brancaster, Heacham and Snettisham, Burnham, Docking and Rudham, Dersingham and Valley and Gayton and Priory Wards as well as of course Hunstanton. SNAP meetings aim to offer community members and residents the opportunity to chat with local Beat Managers about anything that may be causing an issue or concern in your area. The Beat Managers will provide updates on work that they have been doing over the previous three months and give any updates on matters such as court results for investigations that have been concluded. Attendees are invited to put forward concerns which will be voted in as the next priorities for the Local Policing Team to concentrate on over the coming three months. The next Hunstanton SNAP meeting will be held on 5th April 2022 at 7pm and the location of this meeting will be confirmed soon. We really hope to see you there but if you can't make it but still want to raise a concern please email your Beat Managers direct at the email address above.
